3- How long do you plan to study at Atelier Stockholm?

4- How did you hear about Atelier Stockholm?

5- State why you wish to study at Atelier Stockholm.

6- Why did you choose Atelier Stockholm over other schools and Ateliers?

7- List some of your favorite painters and/or paintings.

8- List your previous art training (if any) and a copy of your high school diploma/GED certificate.

9- What is your ambition as a painter, or, what kind of paintings do you ultimately want to paint?

10- What made you decide to seriously pursue painting as a career?

11- If money were not an issue, what would you love to do? In other words, if you had billions of dollars at your disposal so that financial issues were never a concern for you, how would you spend your time? What would you love to get up in the morning and do every day? This may sound like a casual question, but give this some serious thought.

12- Please include at least five photographs (or high quality computer prints) of your work: These images must include one figure study, one portrait, and one still-life created from life. The remaining images may be of your choice and may be created from life or your imagination. Do not include any images created or copied from photographs. Do not send original artwork as your images are part of your application and will not be returned.
